Good morning,

I'm not quite sure what part is unclear. We need to ensure that the rightful owner of the vehicle is paid, so please provide documentation confirming your ownership.

Our VIN search indicates that Budget Rental is the current owner.

To resolve this claim, we require two items from you, as mentioned in previous communications: a surety bond / title in your name. Additionally, the vehicle had prior accidents and was damaged. We need your statement on the specific damage caused by this accident.

The process is straightforward..
